

What is Telecomix?

Elis “etu” Axelsson

<http://elis.nu/>

October 25, 2011

Elis Axelsson, IRC Operator of Telecomix IRC network.
Lives in Stockholm, Sweden.
Callsign: SAØBSE

- Sociocyphernalic Jellyfish Cluster
- True Internet Heroes
- Telecommunist Cluster
- Tech Support for North Africa

But what is Telecomix then?

This is a tricky question...

A brief description of Telecomix

Telecomix is pretty much an irc network, and some services. We often see ourself as a social meetingplace for people who like to do stuff online.

The Power of Adhocracy

The Power of Adhocracy

Telecomix way to work:

- People hang around
- Things happens in the world and we read the news and get reports
- People discuss it and maybe starts to do things about it

Does this work?

Does this work?

- Lobbying in EU & Sweden
- Wikileaks Mirroring
- Egypt Operations
- Syria Operations

Wikileaks Mirroring

Started: 3rd December 2010

Wikileaks Mirroring

Started: 3rd December 2010

*Daddy, what did YOU do in the
Great Cyber War of 2010?*

Egypt Operations

Some projects during the egypt operations:

- Modem project
- Hamradio project
- Fax project
- IP Scan project
- Information spreading
- Talking to the news

Syria Operations

One example of result from Syria have been the Blue Coat Log files.

Other operations
